Got to get you into my Life
The Beatles

Key of G

Got to get you into my Life

I was alone, I took a ride,

I didn't know what I would find there.

Another road, where maybe

I can see another kind of mind there.

Ooh, then I suddenly see you,

Ooh, did I tell you I need you,

every single day of my life?

You didn't run, you didn't lie,

you knew I wanted just to hold you.

And had you gone, you knew in time,

we'd meet again for I'd have told you.

Because we know we can't be found
I'd like to be under the sea

We would shout and swim about
The coral that lies beneath the waves
Oh what joy for every girl and boy
Knowing they're happy and they're safe

We would be so happy you and me
No one there to tell us what to do
I'd like to be under the sea

2:

G    Em    Am    D7
In Penny Lane there is a fireman with an hourglass,
and in his pocket is a portrait of the Queen,
he likes to keep his fire engine clean, it's a clean machine.
Penny Lane is in my ears and in my eyes,
full of fish and finger pies in summer, meanwhile back

3:
Behind the shelter in the middle of a roundabout,
the pretty nurse is selling poppies from a tray.
And tho' she feels as if she's in a play, she is anyway.
In Penny Lane the barber shaves another customer,
we see the banker sitting waiting for a trim.
And then the fireman rushes in from the pouring rain, very strange.

Penny Lane is in my ears and in my eyes,
there beneath the blue suburban skies I sit, and meanwhile back.
Penny Lane is in my ears and in my eyes,
there beneath the blue suburban skies,
Penny Lane.

If the rain comes they run and hide their heads.
They might as well be dead.
If the rain comes, if the rain comes.

When the sun shines, they slip into the shade,
And sip their lemonade.
When the sun shines, when the sun shines.

I can show you that when it starts to rain,
that every thing's the same.
I can show you, I can show you.

Rah... n, I don't mind.

Shi... ne, the weather's fine.

Can you hear me, that when it rains and shines,

Is it just a state of mind?

Can you hear me, can you hear me?

Feeling two foot small
G    D    F    G
Everywhere people stare
C    F/C    C
Each and every day
G    D    F    G    C
I can see them laugh at me

And I hear them say

Hey you've got to hide your love away
G    C    Dsus4    D    Asus4    D
