Always Look on the Bright Side of Life
Eric Idle 1979

Key of Am

Am  D  G  Em
Some things in life are bad they can really make you mad
Am  D  G
Other things just make you swear and curse
Am  D
When you're chewing on life's gristle
G  Em
Don't grumble give a whistle
Am  D7
And this'll help things turn out for the best

G  Em  Am  D7  G  Em  Am  D7
And always look on the bright side of life
G  Em  Am  D7  G  Em  Am  D7
Always look on the light side of life

Am  D  G  Em
If life seems jolly rotten there's something you've forgotten
Am  D  G
And that's to laugh and smile and dance and sing
When you're feeling in the dumps don't be silly chumps
Just purse your lips and whistle - that's the thing

And always look on the bright side of life
Come on always look on the bright side of life

For life is quite absurd and death's the final word
You must always face the curtain with a bow
Forget about your sin - give the audience a grin
Enjoy it - it's your last chance anyhow

So always look on the bright side of death
Just before you draw your terminal breath

Life's a piece of shit when you look at it
Life's a laugh and death's a joke it's true
You'll see it's all a show
Keep 'em laughing as you go
Just remember that the last laugh is on you
And always look on the bright side of life
Always look on the right side of life
(Come on guys, cheer up)
Always look on the right side of life
Always look on the right side of life...
Beverly Hillbillies
Earl Scruggs

Key of C

Opening:

C  Dm  G
Come 'n listen to my story 'bout a man named Jed
C
A poor mountaineer, barely kept his family fed
F  Dm7
And then one day, he was shootin' at some food
G  C
And up through the ground come a bubblin' crude
C
Oil, that is, black gold, Texas tea

C  Dm  G
Well, the first thing you know, old Jed's a millionaire
C
Kin folk said, Jed, move away from there
F  Dm7
Said, Californy is the place you oughta be
G  C
So they loaded up the truck and they moved to Beverly
G  C
So they loaded up the truck and they moved to Beverly
C  CGCX
Hills, that is, swimmin' pools, movie stars
Well, now it's time to say goodbye to Jed and all his kin

They would like to thank you folks for kindly droppin' in

You're all invited back again to this locality

To have a heapin' helpin' of their hospitality

Hillbilly, that is, set a spell, take your shoes off

Y'all come back now, hear?

Beverly Hillbillies
Our whole universe was in a hot dense state, then nearly fourteen billion years ago expansion started. Wait!

The Earth began to cool, the auto-trophs began to drool, neander-thals developed tools, We built a wall (we built the pyramids), Math, science, history, unraveling the mysteries, That all started with the big bang! Bang!
extra Verses:

"Since the dawn of man" is really not that long,
As every galaxy was formed in less time than it takes to sing this song.
a fraction of a second and the elements were made.
The bipeds stood up straight, The dinosaurs all met their fate,
They tried to leap but they were late And they all died - they froze their asses off -
The oceans and pangea See ya, wouldn't wanna be ya
Set in motion by the same big bang! It all started with the big BANG!
D   G   Em   A
It's expanding ever outward but one day
D   G   Em   A
It will cause the stars to go the other way,
A   D
Collapsing ever inward,
Em   A
we won't be here, it wont be hurt
A   D
Our best and brightest figure
Em   A   C
that it'll make an even bigger bang!

Solo:
|    C   D   G  Gmaj7   Em |
|    C   D   G  D   C   G  |

C   D
Australopithecus would
G   Gmaj7   Em
really have been sick of us
C   D
Debating out while here
   G
they're catching deer -
   Gmaj7   Em
we're catching viruses -
C   D   G  Gmaj7   Em
Religion or astronomy, Encarta, Deuteronomy
C   D   G
It all started with the big bang!
Music and mythology, Einstein and astrology

C   D   G   Gmaj7   Em

It all started with the big bang!

C   D   G   G

It all started with the big Bang! BANG!

Making your way in the world today
C G
Takes everything you've got
C G
Taking a break from all your worries
C G
Sure would help a lot
Bb A Dm G
Wouldn't you like to get a-way

C G
All those nights when you've got no lights
C G
The cheque is in the mail
And your little angel hung the cat up by its tail
And your third fiancée didn't show

Eye Of The Tiger  
Survivor, 1982

Key of Am

| Mostly 16th note drone on A |

Am     F
Risin' up, back on the street
G      Am
Did my time, took my chances
Am     F
Went the distance, now I'm back on my feet
G      Am
Just a man and his will to survive.

Am     F
So many times, it happens too fast
G      Am
You trade your passion for glory.
Am     F
Don't lose your grip on the dreams of the past,
G      Am
You must fight just to keep them alive.

Chorus:
Dm     C     G
It's the eye of the tiger, it's the thrill of the fight,
Risin' up to the challenge of our rival,
And the last known survivor stalks his prey in the night,
And he's watching us all with the eye of the tiger.

Face to face, out in the heat
hanging tough, staying hungry.
They stack the odds, still we take to the street
For the kill with the skill to survive

Chorus:
It's the eye of the tiger, it's the thrill of the fight,
Risin' up to the challenge of our rival,
And the last known survivor stalks his prey in the night,
And he's watching us all with the eye of the tiger.

Risin' up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive.
Chorus:

Dm            C           G
It's the eye of the tiger, it's the thrill of the fight,
Dm            C           G
Risin' up to the challenge of our rival,
Dm            C           G
And the last known survivor stalks his prey in the night,
Dm            C           F           Am
And he's watching us all with the eye of the tiger.

Little Boxes

A
Little boxes on the hillside,
D   A
Little boxes made of ticky-tacky,
E7
Little boxes on the hillside,
A   E7
Little boxes all the same.
A
There's a green one and a pink one
D   A
And a blue one and a yellow one,
E7
And they're all made out of ticky-tacky
A   E7      A
And they all look just the same.

A
And the people in the houses
D   A
All went to the university,
E7
Where they were put in boxes
And they came out all the same,
And there's doctors and lawyers,
And business executives,
And they're all made out of ticky tacky
And they all look just the same.

And they all play on the golf course
And drink their martinis dry,
And they all have pretty children
And the children go to school,
And the children go to summer camp
And then to the university,
Where they are put in boxes
And they come out all the same.

And the boys go into business
And raise a family
In boxes made of ticky-tacky
And they all look just the same.

There's a green one and a pink one

And a blue one and a yellow one,

And they're all made out of ticky tacky

And they all look just the same.

The Ballad of Gilligan's Island
George Wyle & Sherwood Shwartz

Key of Dm

Just sit right back and you'll hear a tale
A tale of a fateful trip
That started from this tropic port,
A--board this tiny ship

The mate was a mighty sailin' man,
The skipper brave and sure,
Five passengers set sail that day
For a three-hour tour

A three-hour tour
The weather started getting rough,
The tiny ship was tossed
If not for the courage of the fearless crew,
The Minnow would be lost,
The ship's aground of the shore
Of this uncharted desert isle
With Gilligan...
The Skipper, too...
The Millionaire...
And his wife...
The movie star...
The professor and Mary-Ann
