Help
The Beatles

Key of A

Help, I need someone to help when I was younger
I never needed anybody's help in any way
But now these days are gone I'm not so self-assured
Now I find I've changed my mind
I've opened up the doors

Help me if you can I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me

And now my life has changed in oh so many ways
My independence seemed to vanish in the haze
But every now and then I feel so insecure
I know that I just need you like I've never done before

Help me if you can I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me

When I was younger so much younger than today
I never needed anybody's help in any way

Hey Jude
The Beatles

Hey Jude don't make it bad
Take a sad song and make it better
Re-member to let her into your heart
Then you can start to make it better

Hey Jude don’t be a-fraid
You were made to go out and get her
The minute you let her under your skin
Then you be-gin to make it better

And any time you feel the pain hey Jude re-frain
Don't carry the world up-on your shoulder

For well you know that it's a fool who plays it cool

By making his world a little colder

Na na na na na na na na na

Hey Jude don't let me down

You have found her now go and get her

Re-member to let her into your heart

Then you can start to make it better

So let it out and let it in hey Jude be-gin

You're waiting for someone to per-form with

But don't you know that it's just you hey Jude you'll do

The movement you need is on your shoulder

Na na na na na na na na na

Hey Jude don't make it bad
Take a sad song and make it better
Re-member to let her under your skin
Then you be-gin to make it better
Better, better, better, better, better, oh….

Na na na na na na na na na na na, hey Jude
Na na na na na na na na na na na, hey Jude

Imagine there's no heaven
Imagine there's no countries
It's easy if you try
It isn't hard to do
No hell below us
Nothing to kill or die for
Above us only sky
Living for today, ah-ah…

Imagine all the people
Living for today, ah-ah…
Imagine all the people
Living life in peace, you-ou...

You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world, you-ou...

You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
And the world will live as one

Rain
The Beatles

If the rain comes, they run and hide their heads
They might as well be dead
If the rain comes..., if the rain... comes

When the sun shines, they slip into the shade
And sip their lemon-ade
When the sun shines..., when the sun... shines

Rai-ai-ai-ain, I don’t mind
Shi-i-i-ine, the weather’s fine

I can show you, that when it starts to rain
That every-thing’s the same
I can show you..., I can show...you

Rai-ai-ai-ain, I don’t mind
Shi-i-i-ine, the weather’s fine

Can you hear me, that when it rains and shines
Is it just a state of mind?
Can you hear me..., can you hear...me? ↓

When I’m 64

C
When I get older losing my hair, many years from now,
Will you still be sending me a Valentine?

G7
Birthday greetings, bottle of wine?
If I'd been out to quarter to three

C
Would you lock the door?

Gm
Will you still need me, will you still feed me,

D
When I'm sixty-four?

Am / Am / G / Am /
You'll be older too

Am Am Dm Dm
/ And if you say the word
I could stay with you

I could be handy mending a fuse, when your lights have gone
You can knit a sweater by the fireside,

Sunday mornings go for a ride.
Doing the garden, digging the weeds,

Who could ask for more?

Will you still need me, will you still feed me,

When I'm sixty-four?

Ev'ry summer we could rent a cottage in the Isle of Wight,
If it's not too dear

We shall scrimp and save

Grandchildren on your knee

Vera, Chuck and Dave

Send me a post-card, drop me a line,

Stating point of view
Indicate precisely what you mean to say,

Yours sincerely

Wasting away
Give me your answer fill in a form,

Mine forever more
Will you still need me, will you still feed me,
When I'm sixty-four?
