Waltzing Matilda
Folk song

C   G   Am   F
Once a jolly swagman camped by a billabong,
C   Am   F   G7
Under the shade of a coolibah tree,
C   E7   Am   F
And he sang as he watched and he waited 'til his billy boiled.
C   Am   G7   C
You'll come a-Waltzing Matilda, with me.

C   F
Waltzing Matilda, Waltzing Matilda
C   Am   F   G7
You'll come a-Waltzing Matilda, with me
C   E7   Am   F
And he sang as he watched and he waited 'til his billy boiled,
C   Am   G7   C
You'll come a-Waltzing Matilda, with me.

C   G   Am   F
Down came a jumbuck to drink at the billabong,
C   Am   F   G7
Up jumped the swagman and grabbed him with glee,
And he sang as he stowed that jumbuck in his tucker bag,
You'll come a-Waltzing Matilda, with me.

Waltzing Matilda, Waltzing Matilda
You'll come a-Waltzing Matilda, with me
And he sang as he stowed that jumbuck in his tucker bag,
You'll come a-Waltzing Matilda, with me.

Up rode the squatter, mounted on his thoroughbred,
Up rode the troopers, one, two, three,
Where's that jolly jumbuck you've got there in your tucker bag
You'll come a-Waltzing Matilda, with me.

Waltzing Matilda, Waltzing Matilda
You'll come a-Waltzing Matilda, with me
Whose the jolly jumbuck you've got there in your tucker bag
You'll come a-Waltzing Matilda, with me.

Up jumped the swagman, and sprang into the billabong,
You'll never take me alive said he,
C  E7  Am  F
And his ghost may be heard as you're passing by that billabong,
C  Am  G7  C
You'll come a-Waltzing Matilda, with me.

C  F
Waltzing Matilda, Waltzing Matilda
C  Am  F  G7
You'll come a-Waltzing Matilda, with me
C  E7  Am  F
And his ghost may be heard as you're passing by that billabong,
C  Am  G7  C
You'll come a-Waltzing Matilda, with me.
C  Am  G7  C
You'll come a-Waltzing Matilda, with me.

She don't like her eggs all runny
She thinks a'crossin' her legs is funny
G
She looks down her nose at money

She gets it on like the Easter Bunny

Well he ain't got laid in a month of Sundays
I caught him once and he was sniffin' my undies
G
He ain't real sharp but he gets things done
D
Drinks his beer like it's oxygen
A
But he's my baby, and I'm his honey
D
I'm never gonna let him go
In spite of our-selves
We'll end up a'sittin' on a rainbow
Against all odds
Honey, we're the big door prize
We're gonna spite our noses
Right off of our faces
There won't be nothin' but big old hearts
Dancin' in our eyes

She thinks all my jokes are corny
Convict movies make her horny
She likes ketchup on her scrambled eggs
Swears like a sailor when she shaves her legs
She takes a lickin', and keeps on tickin'
I'm never gonna let her go
Well he’s got more balls than a big brass monkey
He's a wacked out weirdo and a lovebug junkie
Sly as a fox, crazy as a loon
Payday comes and he's a'howlin' at the moon
But he's my baby, I don't mean maybe
I’m never gonna let him go

In spite of our-selves
We'll end up a'sittin' on a rainbow
Against all odds
Honey, we're the big door prize
We're gonna spite our noses
Right off of our faces
There won't be nothin' but big old hearts
Dancin' in our eyes
There won't be nothin' but big old hearts

So little snowbird take me with you when you go

To that land of gentle breezes where the peaceful waters flow

Spread your tiny wings and fly a-way

And take the snow back with you where it came from on that day

The one I love for-ever is un-true

And if I could you know that I would fly away with you

Yeah if I could you know that I would fly …

To Sir with love

The time has come
For closing books and long last looks must end
And as I leave
I know that I am leaving my best friend
A friend who taught me right from wrong
And weak from strong that's a lot to learn
What what can I give you in re-turn

If you wanted the moon
I would try to make a start but I
Would rather you let me give my heart

Little Arrows
Leapy Lee

There's a boy, a little boy, shooting arrows in the blue
And he's aiming them at someone, but the question is at who?
Is it me, or is it you, it's hard to tell until you're hit
But you'll know it when they hit you cause they hurt a little bit

CHORUS:
Here they come pouring out of the blue
Little arrows for me and for you
You're falling in love again, falling in love again
Little arrows in your clothing, little arrows in your hair
When you're in love you'll find those little arrows everywhere
Little arrows that will hit you once, and hit you once again
Little arrows that hit everybody, every now and then

Slowly
↓ Woe, woe, ↓ woe, the ↓ pain <PAUSE>
Some folks run and others hide but there ain't nothing they can do
And some folks put on armour but the arrows go straight through
So you can see there's no escape, so why not face it and admit
That you love those little arrows when they hurt a little bit

CHORUS:
Here they come pouring out of the blue
Little arrows for me and for you
You're falling in love again, falling in love again
Little arrows in your clothing, little arrows in your hair
When you're in love you'll find those little arrows everywhere
Little arrows that will hit you once, and hit you once again
Little arrows that hit everybody, every now and then

OUTRO:
Little arrows in your clothing, little arrows in your hair
When you're in love you'll find those little arrows everywhere
Little arrows that will hit you once, and hit you once again
Little arrows that hit everybody, every now and then

Little Arrows
From this valley they say you are going
I shall miss your bright eyes and sweet smile
For a-las you take with you the sunshine
That has brightened my pathway a while

**CHORUS:**
Come and sit by my side if you love me
Do not hasten to bid me a-dieu
But remember the Red River Valley
And the girl who has loved you so true

For this long, long time I have waited
For the words that you never would say
But now my last hope has vanished
When they tell me that you’re going a-way
Oh, there never could be such a longing

In the heart of a white maiden's breast

As there is in the heart that is breaking

With love for the boy who came west

**CHORUS:**

Come and sit by my side if you love me

Do not hasten to bid me adieu

But remember the Red River Valley

And the girl who has loved you so true

When you go to your home by the ocean

May you never forget the sweet hours

That we spent in the Red River Valley

Or the vows we exchanged 'mid the bowers

Will you think of the valley you're leaving?

Oh, how lonely and dreary 'twill be!

Will you think of the fond heart you're breaking

And be true to your promise to me?

When the night has come, and the land is dark
And the moon is the only light we'll see.
No, I won't be afraid, no, I won't be afraid,
Just as long as you stand, stand by me.

So, darling, darling, stand by me, oh, stand by me.
Oh, stand, stand by me, stand by me.

If the sky that we look upon should tumble and fall,
Or the mountain should crumble to the sea.
I won't cry, I won't cry, no, I won't shed a tear,
Just as long as you stand, stand by me.
So, darling, darling, stand by me, oh, stand by me.

Oh, stand, stand by me, stand by me.
Whenever you're in trouble won't you

Stand by me, oh, stand by me.

Oh, stand, stand by me, stand by me

In the warm hold of your lovin’ mind

C   Csus4
To feel you all a-round me,

When sundown pales the sky,
C   Csus4
I want to hide a while be-hind your smile,
and everywhere I'd look your eyes I'd find

For me to love you now

would be the sweetest thing, 'twould make me sing,

Ah but I may as well try and catch the wind

Di dee, di dee, di dee, di dee, di dee,

di di dee, di di dee

When rain has hung the leaves with tears

I want you near, to kill my fears,

to help me, to leave all my blues be-hind

Standin' in your heart

is where I want to be and long to be,

Ah but I may as well try and catch the wind

She was a level-headed dancer on the road to alcohol
D7
And I was just a soldier on my way to Montre-al
Well she pressed her chest against me
C
About the time the juke box broke
D7
Yeah, she gave me a peck on the back of the neck
G
And these are the words she spoke

G
Blow up your TV, throw away your paper
D7
G
Go to the country, build you a home
Plant a little garden, eat a lot of peaches
D7
G
D7
G
Try an find Jesus on your own

G
Well, I sat there at the table and I acted real naive
D7
G
For I knew that topless lady had something up her sleeve
C
Well, she danced around the bar room and she did the hoochy-coo
Yeah she sang her song all night long, tellin' me what to do

Blow up your TV, throw away your paper
Go to the country, build you a home
Plant a little garden, eat a lot of peaches
Try an find Jesus on your own

Well I was young and hungry and about to leave that place
When just as I was leavin', well she looked me in the face
I said "You must know the answer"
"She said "No but I'll give it a try"
And to this very day we've been livin' our way
And here is the reason why

We blew up our TV, threw away our paper
Went to the country, built us a home
Had a lot of children, fed 'em on peaches
They all found Jesus on their own

Instrumental:

But it's a little more like heaven by your side.

C
I have watched the crystal raindrops fall to earth to cool the day
Watched the rainbow at twilight when the clouds have blown away
I've adored the clinging roses round my mountain home so dear
But it's a little more like heaven when you're near.

It's a little more like heaven where you are
I have sought for happiness both near and far
But my search for love was through the day that I met you
'Cause it's a little more like heaven where you are.

Instrumental:

But it's a little more like heaven by your side.

I have tempted for a moment by a lure and magic charms
Of fickle flame and beauty while waltzing in her arms
I've cherished memories of the past of friends so kind and true
But it's a little more like heaven here with you.

It's a little more like heaven where you are
I have sought for happiness both near and far
But my search for love was through the day that I met you
'Cause it's a little more like heaven where you are.

Intro:  C       Am       F       G

Chorus:
C       Am
well Where oh where can my  baby be
F       G
the lord took her  away from me
C       Am
She's gone to heaven so I've  got to be good
F       G       C       C
So  I can see my baby when I  leave this  world

C       Am
We were  out on a date in my  daddy's car
F       G
We hadn't driven  very far
C       Am
There in the road  straight ahead
F       G
A  car was stalled, the  engine was dead
C       Am
I couldn't stop, so I  swerved to the right
F       G
I'll never forget the  sound that night
C       Am
The screeching tires, the  busting glass
F       G       C       C       C
The  painful scream that  I heard  last
Chorus:
C                              Am
well Where oh where can my baby be
F                              G
the lord took her away from me
C                              Am
She's gone to heaven so I've got to be good
F                              G                  C
So I can see my baby when I leave this world

C                              Am
When I woke up, the rain was pouring down
F                              G
There were people standing all around
C                              Am
Something warm running in my eyes
F                              G
But I found my baby somehow that night
C                              Am
I held her head, and then she smiled and said
F                              G
"Hold me darling just a little while"
C                              Am
So I held her close I kissed her our last kiss
F                              G
I found the love that I knew I would miss
C                              Am
But now she's gone even though I hold her tight
F                              G                  C
I lost my love, my life that night

Chorus:
C                              Am
well Where oh where can my baby be
the lord took her away from me
She's gone to heaven so I've got to be good
So I can see my baby when I leave this world

We only danced for a minute or two
But then she stuck close to me the whole night through
Can I be fallin' in love
She's everything I've been dreamin' of
...(She's everything I've been dreamin' of)

I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I could
...(I asked to see her and she told me I could)
Somethin' tells me I'm into something good
...(Somethin' tells me I'm into somethin')

We only danced for a minute or two
But then she stuck close to me the whole night through
Can I be fallin' in love
