Do You Believe In Magic?
The Lovin’ Spoonful

**Intro:** Dm   Em / F   Em / Dm   Em / F   G

C   F
Do you believe in magic in a young girl's heart?
C   F
How the music can free her, when-ever it starts
C   F
And it's magic, if the music is groovy
C   F
It makes you feel happy like an old-time movie
Dm   Em   F   Em
I'll tell you about the magic, and it'll free your soul
G
But it's like trying to tell a stranger 'bout, rock and roll

G   C   F
If you believe in magic don't bother to choose
C   F
If it's jug band music or rhythm and blues
C   F
Just go and listen it'll start with a smile
C   F
It won't wipe off your face no matter how hard you try
Dm    Em    F    Em
Your feet start tapping and you can't seem to find
G
How you got there, so just blow your mind

I    F / F / C / C / F    Em / F    Em / G / G

C    F
If you believe in magic, come a-long with me
C    F
We'll dance until morning 'til there's just you and me
C    F
And maybe, if the music is right
C    F
I'll meet you tomorrow, sort of late at night
Dm    Em    F    Em
And we'll go dancing baby, then you'll see
G
How the magic's in the music and the music's in me
F    C    C
Yeah, do you believe in magic

F    Em    F    Em
Yeah, believe in the magic of a young girl's soul
F    Em    F    Em

Domi-nique, nique, nique, it was good Saint Dominique
F
He lived for you and me
C F
From the labours long ago, came a better world I know
And his love shall always be

“Though I’m poor” said Dominique, as he spoke unto the Lord
“I will be your humble servant, and your love is my re-ward”

Dominique, nique, nique, I will follow Dominique
His burdens will I share
For his courage will I pray, his teachings to obey
His words shall be my prayer

By the kindness of his heart, and the labour of his hand
He brought love and understanding as he wandered through the land

Dominique, nique, nique, I will tell of Dominique
His goodness to ac-claim
And I pray the song I sing, will some simple pleasure bring
All the world shall know his name
Domi-nique the mighty warrior was a soldier of the Lord
His armour was devotion and the Gospel was his sword

Domi-nique, nique, nique, it was good Saint Dominique
He lived for you and me
From his labours long ago, came a better world I know
And his love shall always be

Through the blazing heat of summer, and the chill of winter snow
I will follow Dominique, in his footsteps I will go

Domi-nique, nique, nique, I will follow Dominique
His burdens will I share
For his courage will I pray, his teachings to obey
His words shall be my prayer

She sewed my new blue jeans
My father was a gamblin' man
Down in New Or-leans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he's satis-fied
Is when he's on a drunk

He fills his glasses up to the brim
And pushes those cards a-round
The only pleasure he gets out of life
Is rambling from town to town

Now tell my baby sister
Am    C    E7    E7
Not to do what I have done
Am    C    D    F
But shun that house in New Orleans
Am    E7    Am    E7

Am    C    D    F
Oh mother tell your children
Am    C    E7    E7
Not to do what I have done
Am    C    D    F
Spend your lives in sin and misery
Am    E7    Am    E7
In the House of the Rising Sun

Am    C    D    F
Well, I got one foot on the platform
Am    C    E7    E7

Am    C    D    F
I'm goin' back to New Orleans

Am    C        E7    E7

Didn't think I'd do, but now I see

She's worse to him than me

Let her go a-head, take his love in stead

And one day she will see, just how to say please

And get down on her knees, yeah that's how it be-gins

She'll feel those needles and pins a-hurtin her, a-hurtin her

Why can't I stop, and tell myself

I'm wrong, I'm wrong, so wrong

Why can't I stand up, and tell myself I'm strong

Because I saw her to-day, I saw her face

Satisfaction
Up On Cripple Creek

The Band

Intro: A / A / A / A

When I get off of this mountain, you know where I want to go?

A

Straight down the Mississippi River to the Gulf of Mexico

D

To Lake Charles, Louisiana, little Bessie, a girl I once knew

A

She told me just to come on by if there's anything that she could do

D

Up on Cripple Creek, she sends me

A

If I spring a leak, she mends me

D

I don't have to speak, she defends me

E7

A drunkard's dream if I ever did see one ↓ < 2, 3, 4 / 1, 2, 3, 4 />

D

Good luck had just stung me, to the race track I did go
A    D    E7
She bet on one horse to win and I bet on another to show
A    D
The odds were in my favour, I had ‘em five to one
A    D
When that nag to win came around the track
E7     E7
Sure enough she had won

A
Up on Cripple Creek, she sends me
D
If I spring a leak, she mends me
E7
I don’t have to speak, she defends me
F#m     G     G
A drunkard’s dream if I ever did see one ↓ < 2, 3, 4 / 1, 2, 3, 4 />

A    D    D
I took up all of my winnings, and I gave my little Bessie half
A    D    E7    E7
And she tore it up and threw it in my face, just for a laugh
A    D
Now there’s one thing in the whole wide world I sure would like to see
A    D    E7    E7
That’s when that little love of mine dips her doughnut in my tea

A
Up on Cripple Creek, she sends me
D
If I spring a leak, she mends me
E7
I don’t have to speak, she defends me
A drunkard's dream if I ever did see one ↓ < 2, 3, 4 / 1, 2, 3, 4 />

Now me and my mate were back at the shack, we had Spike Jones on the box
She says, "I can't take the way he sings, but I love to hear him talk."
Now that just gave my heart a throb, to the bottom of my feet
And I swore as I took another pull, my Bessie can't be beat

Up on Cripple Creek, she sends me
If I spring a leak, she mends me
I don't have to speak, she defends me
A drunkard's dream if I ever did see one ↓ < 2, 3, 4 / 1, 2, 3, 4 />

YODEL
Lo lo / hoo / lodle lodle lady / hoo /
Lo lodle / hoo / lodle lodle lady / hoo

There's a flood out in California, and up north it's freezing cold
And this living off the road, is getting pretty old
So I guess I'll call up my big mama, tell her I'll be rolling in
But you know deep down, I'm kind of tempted
To go and see my Bessie again

Up on Cripple Creek, she sends me
If I spring a leak, she mends me
I don't have to speak, she defends me
A drunkard's dream if I ever did see one

Lo lo / hoo / lodle lodle lady / hoo /
Lo lodle / hoo / lodle lodle lady / hoo /
Lo lodle / hoo / lodle lodle lady / hoo /
Lo lodle / hoo / lodle lodle lady / hoo /
What A Day For A Daydream
Lovin’ Spoonful

G  E7
What a day for a daydream
Am  D7
What a day for a daydreamin’ boy
G  E7
And I’m lost in a daydream
Am  D7
Dreaming ‘bout my bundle of joy

C  A7  G  E7
And even if time ain’t really on my side
C  A7  G  E7
It’s one of those days for taking a walk out-side
C  A7  G  E7
I’m blowing the day to take a walk in the sun
A7  D7
And fall on my face on somebody’s new-mown lawn

G  E7
I’ve been having a sweet dream
Am                          D7
I’ve been dreaming since I woke up today
G                          E7
It starred me and my sweet thing
Am                          D7
‘Cause she’s the one makes me feel this way

C                          A7                          G                          E7
And even if time is passing me by a lot
C                          A7                          G                          E7
I couldn’t care less about the dues you say I got
C                          A7                          G                          E7
Tomorrow I’ll pay the dues for dropping my love
A7                          D7
A pie in the face for being a sleepin’ bull dog

INSTRUMENTAL: whistle, kazoons, ukes…
G                          E7
I’ve been having a sweet dream
Am                          D7
I’ve been dreaming since I woke up today
G                          E7
It starred me and my sweet thing
Am                          D7
‘Cause she’s the one makes me feel this way

C                          A7                          G                          E7
And you can be sure that if you’re feeling right
A daydream will last along into the night
Tomorrow at breakfast you may prick up your ears
Or you may be daydreaming for a thousand years

What a day for a daydream
Custom made for a daydreamin’ boy
And I’m lost in a daydream
Dreaming ‘bout my bundle of joy

OUTRO: whistle, kazoos, ukes…
And even if time is passing me by a lot
I couldn’t care less about the dues you say I got
Tomorrow I’ll pay the dues for dropping my love
A pie in the face for being a sleepin’ bull

You Can’t Hurry Love
The Supremes

Key of G

Intro: 1, 2 / 1, 2/ G / G / G / G / G / G

I need love, love, to ease my mind
Bm Em Am D
I need to find, find, someone to call mine, but mama said
G C G
You can't hurry love, no, you just have to wait
Bm Em Am D
She said love don't come easy, it's a game of give and take
G C G
You can't hurry love, no, you just have to wait
Bm Em Am D
You got to trust, give it time, no matter how long it takes

Bm Bm
But how many heartaches, must I stand
Before I find a love, to let me live again
Right now the only thing, that keeps me hangin' on
Is when I feel my strength, yeah it's almost gone
I re-member mama said
... (You can't hurry love) No, you just have to wait
She said love don't come easy, it's a game of give and take
How long must I wait, how much more can I take
Before loneliness, will cause my heart, heart to break

No I can't bear, to live my life alone
I grow im-patient for a love, to call my own
But when I feel that I, I can't go on
These precious words, keep me hanging on
I re-member mama said
... (You can't hurry love) No you just have to wait
She said love don't come easy, it's a game of give and take

But I keep on waiting, an-tici-pating
G    C    G
For that soft voice, to talk to me at night
Bm  Em  Am  D
For some tender arms, to hold me tight
G    G    C    G
I keep waiting, I keep on waiting
