They know that Santa’s on his way
He’s loaded lots of toys and goodies on his sleigh
And every mother’s child is gonna spy
To see if reindeer really know how to fly

And so, I’m offering this simple phrase
To kids from one to ninety-two
Although it’s been said many times, many ways
Merry Christmas to you
They know that  San-ta’s on his way
He’s loaded  lots of toys and goodies on his sleigh
And ev’ry  mother’s child is gonna spy

Frosty The Snowman
Walter "Jack" Rollins & Steve Nelson

G    G7    C    G
Frosty the Snow Man was a jolly happy soul
C    G
With a corn cob pipe and a button nose
D7    G    D7
And two eyes made out of coal

G    G7    C    G
Frosty the Snow Man is a fairy tale they say
C    G
He was made of snow but the children know
D7    G    G7
How he came to life one day
There must have been some magic

In that old silk hat they found

For when they placed it on his head

He began to dance around

Frosty the Snow Man was alive as he could be

And the children say he could laugh and play

Just the same as you and me

Frosty the Snow Man knew the sun was hot that day

So he said “Let’s run and we’ll have some fun

Now before I melt away.”

Down to the village with a broomstick in his hand

Running here and there all around the square
D7        G        G7
Sayin’ “Catch me if you can.”

G

C

CHORUS:

F

C
Jingle bells, jingle bells, jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh

A day or two ago, I thought I'd take a ride
And soon Miss Fanny Bright, was seated by my side
The horse was lean and lank, misfortune seemed his lot
He got into a drifted bank and
We, we got up sot OH!

CHORUS:
Jingle bells, jingle bells, jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh hey!
Jingle bells, jingle bells, jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh
Now the ground is white, so go it while you're young
Take the girls to-night, and sing this sleighing song
Just get a bob-tailed nag, two-forty for his speed
Then hitch him to an open sleigh
And crack! You'll take the lead OH!

CHORUS:
Jingle bells, jingle bells, jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh hey!
Jingle bells, jingle bells, jingle all the way
Oh, what fun it is to ride
In a one-horse open sleigh

The Baron made Snoopy fly to the Rhine
And forced him to land behind the enemy lines
Snoopy was certain that this was the end
When the Baron cried out “Merry Christmas mein friend!”
The Baron then offered a holiday toast
And Snoopy our hero saluted his host
And then with a roar they were both on their way
Each knowing they'd meet on some other day

Gone a-way…is the blue bird
Here to stay...is the new bird
He sings a love song, as we go along
Walkin' in a winter wonder-land

BRIDGE:
In the meadow we can build a snowman
And pretend that he is parson Brown
He'll say are you married, we'll say no man
But you can do the job when you're in town

Later on...we'll conspire
As we dream...by the fire
To face unafraid, the plans that we made
Walkin' in a winter wonder-land

BRIDGE:
In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with Mister Snowman
Yes un-til the other kiddies knock him down

Later on...we'll conspire
As we dream...by the fire
To face unafraid, the plans that we made
Walkin' in a winter wonder-land

Stank ↓
You’re A Mean One, Mr. Grinch
The lamp is burning low up on my table top
The snow is softly falling
The air is still within the silence of my room
I hear your voice softly calling

CHORUS:
If I could only have you near
To breathe a sigh or two
I would be happy just to hold the hands I love
On this winter’s night with you

The smoke is rising in the shadows over-head
My glass is almost empty
I read a-gain between the lines upon each page
The words of love you send me

CHORUS:
If I could know with-in my heart
That you were lonely too
I would be happy just to hold the hands I love
On this winter’s night with you

The fire is dying now my lamp is getting dim
The shades of night are lifting
The morning light steals a-cross my window pane
Where webs of snow are drifting

CHORUS:
If I could only have you near
To breathe a sigh or two
I would be happy just to hold the hands I love
On this winter’s night with you
And to be once again with you
