[D][A7sus4] / [D][A7sus4] /

[D] Jocko says "Yes" and [A7sus4] I believe him
 When we [D] talk about the things I [A7sus4] say
 She [D] hasn't got the faith or the [A7sus4] guts to leave him
 When they're [D] standing in each other's [A7sus4] way
 You're [D] tripping back now to [A7sus4] places you've been to
 You [D] wonder what you're gonna [A7sus4] find
 You [D] know you've been wrong but it [A7sus4] won't be long
 Before you [D] leave 'em all far be-[A7sus4]hind

CHORUS:

'Cause it's the [G] new mother nature taking [D] over
 It's the [G] new splendid lady come to [D] call
 It's the [G] new mother nature taking [D] over
 She's [C] getting us [D] all, she's [C] getting us [D] all

[D][A7sus4] / [D][A7sus4] /

[D] Jocko said "No" when I [A7sus4] came back last time
 It's [D] looking like I lost a [A7sus4] friend
 [D] No use calling 'cause the [A7sus4] sky is falling
 And I'm [D] getting pretty near the [A7sus4] end
 A [D] smoke-filled room in a [A7sus4] corner basement
 The [D] situation must be [A7sus4] right
 A [D] bag of goodies and a [A7sus4] bottle of wine
 We're gonna [D] get it on right to-[A7sus4]night

CHORUS:

'Cause it's the [G] new mother nature taking [D] over
It's the [G] new splendid lady come to [D] call
It's the [G] new mother nature taking [D] over
She's [C] getting us [D] all, she's [C] getting us [D] all
