

Big Bang Theory Theme (Barenaked Ladies)

Our [C]whole uni-[D]verse was in a
[G]hot [D/F#]dense [Em]state, then nearly
[C]fourteen billion [D]years ago
ex-[G]pansion [D/F#]started. [Em]Wait!

The [C]Earth began to [D]cool,
the auto-[G]trophs be-[D/F#]gan to [Em]drool,
neander-[C]thals developed [D]tools,
We built a [G]wall (we [D/F#]built the [Em]pyr-a-mids),
[C]Math, science, [D]hi-sto-ry,
un-[G]rave-[D/F#]ling the [Em]my-ster-ies,
That [C]all started [D]with the big [G]bang! [G]Bang!
