

COME ON UP TO THE HOUSE

Tom Waits (1999)

INTRO: 1 2 / 1 2 3 4 /

[C][Am] / [F][C] / [C][G] / [C]

Well the [C] moon is [Am] broken and the [F] sky is [C] cracked
[C] Come on up to the [Am] house
The only [C] things that you can [Am] see, is [F] all that you [C] lack
Well [C] come on [G] up to the [C] house

[C] All your [Am] cryin' don't [F] do no [C] good
[C] Come on up to the [Am] house
Come [C] down off the [Am] cross, we can [F] use the [C] wood
You gotta [C] come on [G] up to the [C] house

CHORUS:

[C] Come on up to the house
[C] Come on up to the [Am] house
The world is [C] not my [Am] home I'm just a-[F]passin' [C] through
You gotta [C] come on [G] up to the [C] house / [C][G] / [C]

There's no [C] light in the [Am] tunnel, no [F] irons in the [C] fire
[C] Come on up to the [Am] house
And you're [C] singin' lead so-[Am]prano in a [F] junkman's [C] choir
You gotta [C] come on [G] up to the [C] house

Does [C] life seem [Am] nasty [F] brutish and [C] short
[C] Come on up to the [Am] house
The seas are [C] stormy [Am] and you [F] can't find no [C] port
You gotta [C] come on [G] up to the [C] house

CHORUS:

[C] Come on up to the house
[C] Come on up to the [Am] house
The world is [C] not my [Am] home I'm just a-[F]passin' [C] through
You gotta [C] come on [G] up to the [C] house

INSTRUMENTAL:

Does [C] life seem [Am] nasty [F] brutish and [C] short
[C] Come on up to the [Am] house
The seas are [C] stormy [Am] and you [F] can't find no [C] port
You gotta [C] come on [G] up to the [C] house

CHORUS:

[C] Come on up to the house
[C] Come on up to the [Am] house
The world is [C] not my [Am] home I'm just a-[F]passin' [C] through
You gotta [C] come on [G] up to the [C] house

There's [C] nothin' in the [Am] world that [F] you can [C] do
You gotta [C] come on up to the [Am] house
And you've been [C] whipped by the [Am] forces that are [F] inside [C] you
You gotta [C] come on [G] up to the [C] house

Well you're [C] high on [Am] top of your [F] mountain of [C] woe
You gotta [C] come on up to the [Am] house
Well you [C] know you should sur-[Am]render but you [F] can't let it [C] go
You gotta [C] come on [G] up to the [C] house

CHORUS:

Gotta [C] come on up to the house
Gotta [C] come on up to the [Am] house
The world is [C] not my [Am] home I'm just a-[F]passin' [C] through
You gotta [C] come on [G] up to the [C] house
Gotta [C] come on [G] up to the [C] house
You gotta [C] come on [G] up to the [F] hou....use [F] oh yeah [C]↓
