INTRO: [F]/[F]/[F]/[F]/

[F] We have gun control unlike our [Bb] neighbours to the [F] south
The [Bb] only thing we [F] can't con-[Dm]trol is [Bb] Don [C7] Cherry's [F] mouth [F]
[F]/[F]

I'm [F] glad I live in Canada, who [Bb] wouldn't like it [F] here?
Ca-[Bb]nadian is a [F] railway, Ca-[Bb]nadian is a [C7] beer
[F] We have gun control unlike our [Bb] neighbours to the [F] south
The [Bb] only thing we [F] can't con-[Dm]trol is [Bb] Don [C7] Cherry's [F] mouth [F]
[F]/[F]

There's [Dm] two kinds of people in the [Am] world that I have [Dm] met
Ca-[Dm]nadians and people, who [Am] aren't Canadians [C] yet
There's a [Dm] test you have to take, to [Am] be a citi-[Dm]zen
Would you [Dm] like to be Canadian? [Am] (*Yeah*) O-kay you're [C] in [C]
[C7]/[C7]

I'm [F] glad I live in Canada [Bb] summer, spring and [F] fall
Our [Bb] country is so [F] big, our [Bb] problems are so [C7] small
When [F] dot coms went under [Bb] I was A-O-[F]kay
[Bb] I was not dot [F] com [Dm]/[Bb] I was [C7] dot c [F] a [F]
[F]/[F]/

[Dm] Canada is so much more [Am] than a border-[Dm]line
[Dm] Canada's not a state [Am] it's a state of [C] mind
Some A-[Dm]mericans are Canadians, to [Am] them we tip our [Dm] hats
About a [Dm] half of them I'd say, they [Am] call them Demo-[C]crats [C7]

I'm [F] glad I live in Canada, for [Bb] that I do give [F] thanks
[Bb] I like lakes and [F] mountains, and [Bb] real estate and [C7] banks
[F] You'll learn things in Canada, you'll [Bb] never learn in [F] school
Like [Bb] Mexico is [F] hot [Dm] but [Bb] Ca-[Bb]na-[C7]da [C7] is [F] cool [F]
[F]/[F]/

[F] We have gun control unlike our [Bb] neighbours to the [F] south
The [Bb] only thing we [F] can't control is [Bb] Don [C7] Cherry's [F]↓ [C7]↓[F]↓
