Istanbul (Not Constantinople) for Ukulele.

This is the way I do the song, Very similar to they Might be Giants version on Chordie. Sing the first verse, then the chorus, then a musical interlude – kazoo, doo doo doo, whatever tickles your fancy and then do the chorus again.

*Dm Dm Dm Dm*

Istanbul was Constantinople, now it's Istanbul, not Constantinople

*A7 A7*

Been a long time gone, old Constantinople

*Dm - A7*

Now it's Turkish delight on a moonlit night

*Dm Dm Dm Dm*

Every gal in Constantinople lives in Istanbul, not Constantinople

*A7 A7 Dm A7 Dm*

So if you've a date in Constantinople, she'll be waiting in Istanbul

**CHORUS:**

*Dm Dm Dm Dm*

Even old New York was once New Amsterdam

*Em7-5 A7 Dm A7*

Why they changed it I can't say, people just liked it better that way

*Dm Dm Dm Dm*

So take me back to Constantinople, no you can't go back to Constantinople

*A7 A7 Dm Dm*

Been a long time gone, Constantinople, why did Constantinople get the works?

*A7 Dm*

That's nobody's business but the Turks
