[F] Sittin' on a riverboat havin' a party [Bb] me and my Cajun [F] Queen  
[F] She's turnin' twenty-one on the Mississippi river  
[G] Headin' down to New Or[C]leans  
[F] The year is 1894 Oh [Bb] come on mama and love me some more  
Her [F] dark eyes flash like a gambler's rings  
She [G] shakes her pretty [C] head and [F] sings

[F] Life for me is a riverboat fantasy [Bb] watchin 'the sun go [F] down  
[F] A rock and roll band with a reefer in my hand  
Now [G] look at that wheel go a[C]round  
[F] Cocaine kisses and moonshine misses [Bb] that's the life for [F] me  
[F] I'm sailing away from my heartache  
On a [G] riverboat [C] fanta[F]sy

[F] Can't think, can't drink anymore whisky I [Bb] could'a drunk a river [F] dry  
[F] Mmmmm... this old boat she's just sittin' in the moonlight  
[G] Catchin' the gleam in her [C] eye  
[F] Showers of rain come pourin' down  
The [Bb] sky full of stars like a French lace [F] gown  
[F] Shimmer, glimmer I think I'm gonna fall  
Woops [G] catch me [C] mama, that's [F] all

[F] Life for me is a riverboat fantasy [Bb] watchin 'the sun go [F] down  
[F] A rock and roll band with a reefer in my hand  
Now [G] look at that wheel go a[C]round  
[F] Cocaine kisses and moonshine misses [Bb] that's the life for [F] me  
[F] I'm sailing away from my heartache  
On a [G] riverboat [C] fanta[F]sy

[F] Delta sun beats down like a hammer  
[Bb] Mmmm.... It gives the low down [F] blues  
[F] I've got a cotton gin I'll weave and spin  
And [G] shake the dust from my [C] shoes  
I [F] made my money I found me a honey to [Bb] tickle me under my [F] chin  
[F] When morning comes I'll ride into town  
And [G] worry about the [C] shape I'm [F] in

[F] Life for me is a riverboat fantasy [Bb] watchin 'the sun go [F] down  
[F] A rock and roll band with a reefer in my hand  
Now [G] look at that wheel go a[C]round
