INTRO: / 1 2 3 4 / [G][C] / [G][C] / [G][C] / [G][C] /

[G] In the bottle there's a [C] half a glass of [G] red wine [C]
And [G] on my floor there's a [C] trapezoid of [G] sunshine [C]
If I could [G] crack my head and [C] spill out all my [G] daydreams [C]
You'd find [G] self-esteems and [C] rhyme-schemes and [G] moonbeams [C]

[G] If I could show you [C] everything my [G] skin hides [C]
If I could [G] peel me back and [C] look into my [G] insides [C]
You'd find a [G] love [C] burnin', a [G] hole in my heart [C]
[G] And all the love I [C] give away's gonna rico-[G]chet back my way [C] someday I'd say
[G] All the love I [C] give away's gonna rico-[G]chet back my way [C] someday
I [G] think today I'll [C] stop keepin' [D]↓ track

[G] That's [C] life [G] lovin' [C] you right [G] back
That's [C] life [G] lovin' [C] you right [G] back
Makes me wanna get my [C] bare feet on and [G] do a little boogaloo [C]
[G] Makes me wanna [C] write you a song for [G] when you're feelin' [C] blue
[G] Somethin' you could [C] shake it to
Send a [G] shiver through your [C] sacroili-[D]↓ac 2 3 4

[G] That's [C] life [G] lovin' [C] you right [G] back
That's [C] life [G] lovin' [C] you right [G]
Livin' [C] you right [G] lovin' [C] you right [G] back [C]

A [G] song is an act of [C] premeditated [G] beauty [C]
A [G] song is joy and [C] I consider it my [G] duty [C]
On a [G] Saturday in the [C] middle of Septem-[G]ber [C]
To [G] sit in the sun and [C] sing this little [G] number [C]
It says I got a [G] love [C] burnin', a [G] hole in my [C] heart
[G] And all the love I [C] give away's gonna rico-[G]chet back my way [C] someday I'd say
[G] All the love I [C] give away's gonna rico-[G]chet back my way [C] someday
It's [G] safe to say it's a [C] natural [D]↓ fact 2 3 4
