**SWISS**

The moon does-n't care a - bout your  
is - sues, It just rolls a - long a - cross the night. The  
moon does-n't care a - bout your is - sues, — So you're wrong to think it's  
tell - ing you — you're right. It's much too bu - sy mak - ing moon - light As a  
moon is meant to do To care what you've been shar - ing A - bout  
all that you've been through — The moon does-n't care a - bout your is - sues,  
But the moon shines bright, And you can too — Just sneak a
