

The Outhouse Project (The Cox Job)

Written: Mike Cox, Charles de Lint, MaryAnn Harris & Joanne Williams
August 13, 2017; Lac Caya, Quebec

[C]Heading up the country, chainsaw in my trunk
[F]Come across an outhouse, what a piece of junk
[C]Got me some lumber, got me some nails
If I [G]didn't get it leveled they'd be shitting in [C]pails

It's an [C]old piece of history for the Ambridge clan
[F]Built in the '60s by Barry's old man
[C]Once upon a time it was brand spankin' new
Now it's [G]gotten pretty risky just to have a [C]poo

[F]Unh, augh, when you're running out of time
[C]Unh, augh, that's a [G]mighty steep [F]cli[C]mb

In that [C]old crooked privy, careful how you lean
[F]Feels like a recliner, the slant's pretty mean
If you [C]don't take care, a body could get hurt
Could [G]find yourself a-falling in a nasty kind of [C]dirt

[F]Unh, augh, when you're running out of time
[C]Unh, augh, that's a [G]mighty steep [F]cli[C]mb

Musical break

In that [C]old crooked privy, careful how you lean
[F]Feels like a recliner, the slant's pretty mean
If you [C]don't take care, a body could get hurt
Could [G]find yourself a-falling in a nasty kind of [C]dirt

[C]Built some new footings out of old wood scraps
[F]Holding my nose against the smell of that crap
[C]Nailed up some boards, the best that could be got
To [G]give it some support and cover up the [C]rot

[C]Here's a level and tape don't want to leave you in the lurch
[F]Don't worry 'bout it friend we ain't building no church
[C]Measure with your eyeball, scribe it with a nail
Let the [G]chainsaw handle all the little de[C]tails

[F]Unh, augh, when you're running out of time
[C]Unh, augh, that's a [G]mighty steep [F]cli[C]mb

[C]She still isn't pretty, won't win no prize
[F]Chainsaw carpentry's painful on the eyes
but [C]you can sit there, husband, kid or wife
and [G]quietly ponder the mysteries of [C]life

[F]Unh, augh, when you're running out of time
[C]Unh, augh, that's a [G]mighty steep [F]cli[C]mb

[F]Unh, augh, grabbing trees for support
[C]Unh, augh, don't need a [G]full re[F]po[C]rt

[F]Unh, augh, [C]aaah
