Thank You For Being A Friend (Golden Girls Theme)
written by Andrew Gold 1978  practice sheet at ukesterbrown.com (1st note sung is an “E”)

C                                                  F
Thank you for being a friend  Traveled down the road and back again
 G7                                                        C
Your heart is true you’re a pal and a confidant.
C                                     F
I'm not ashamed to say I hope it always will stay this way
 G7                                                                C
My hat is off, won't you stand up and take a bow

Am7                            F       Am7                                  D7
And if you threw a party, Invited everyone you ever knew
 C                                            F                                                  G7
You would see the biggest gift would be from me and the card attached would say,

(Refrain)

(Refrain)

C                                                  F
Thank you for being a friend
 F
Thank you for being a friend
 G7
Thank you for being a friend
 C
Thank you for being a friend

C                                                  F
If it's a car you lack I'd surely buy you a cadillac
 G7                                                        C
Whatever you need, anytime of the day or night
 F
I'm not ashamed to say I hope it always will stay this way
 G7                                                                C
My hat is off, won't you stand up and take a bow
 Am7                             F                 Am7                                     D7
And when we both get older With walking canes and hair of gray
 Am7                             F                                               G7
Have no fear, even though it's hard to hear I will stand real close and say, (To Refrain)

(Bridge)

C7                  D9       A7                          D       G7
And when we die and float away, Into the night, the Milky Way
 C7               D9                          A7                         D   G7
You’ll hear me call as we ascend I’ll see you there, then once again (to refrain)
